FARUK GÜN

Computer Engineering Student

I am a fast learner, always aiming to improve myself. I love exploring, meeting new people, and making plans. I am always aware of my responsibilities and enjoy working in a team environment.

EDUCATION

USKUDAR UNIVERSITY

Computer Engineering (2020-)

SKILLS

- HTML-CSS
- C#
- JavaScript
- MongoDB, MsSQL
- Node.js, Nest.js

LANGUAGE

English

WORK EXPERIENCE

December 2024 - Apríl 2025
Backend Developer Intern - Dveb Yazılım Çözümleri

- During this internship, I had the opportunity to improve myself in the backend field. I developed a movie project using Node.js. In this project, I utilized technologies such as multer, jwt, mongodb, postman, and fancybox to make the project more functional and user-friendly.

June 2023- August 2023
Software Intern - Saat ve Saat

- In this internship, I learned the functioning and importance of working in a team. During my internship, I improved my C# skills and learned how to use SQL

March 2023- April 2023
Intern - Atölye Vizyon

- In this internship, which I started in February 2023, I am improving myself in the field of hardware.
